

Multi Award Winning Platform

- ✓ We are pleased to announce Fenics GO has been named OTC Trading Venue of the Year for Americas & Globally at the Global Capital Derivative Awards.
- ✓ This reflects the commitment to innovation and focus on driving the next generation of market connectivity that Fenics GO provides.

Record Volumes in Delta 1

- ✓ Fenics GO has successfully matched over \$1.85 trillion notional in Europe & Asia since launch as product scope & volumes continue to expand.
- ✓ The Q3 quarterly roll saw a significant record for volumes matched on MSCI Delta 1 products, an increase of 25% QoQ & 300% increase since Q3 2022. This was the 9th record quarter for Fenics GO in the last 10 quarters.

Provision of Enhanced Surveillance & Auditability Reporting

- ✓ Fenics GO can now provide daily reports directly to firms for all user interactions in price negotiation & matching.
- ✓ All actions are recorded to 1/1000th of a second & can enable firms to recreate price formation & negotiations to meet internal & external oversight requirements.

Expanding Scope to cover US & Crypto Products

- ✓ **Fenics GO US** is approaching launch with strong commitment from a number of Tier 1 banks & Liquidity Providers to ensure powerful electronic price discovery & liquidity with lower fees in a fair, transparent & auditable marketplace.
- ✓ **Fenics GO Digital Assets** will be launching before year end offering options & futures initially on Bitcoin & Ether, with block trades cleared on CME.
